CORPORATE PROFILE

Introduction

Pacific Coast Environmental, Inc. dba "PCE" is a closely held "Small Business" corporation headquartered in Portland, Oregon. Our operational facilities are located at Swan Island, where we provide marine cleaning services to companies located within the Port of Portland, and industrial cleaning within a 250 mile radius. PCE's goals for growth, profitability, and standing within the community are based on the following policies:

- Safety on the job is to receive the highest priority.
- Compliance with federal and state regulations in providing quality services to our customers.
- Good citizenship in the community will include a special emphasis on environmental issues.

Background

PCE provides a wide range of heavy duty industrial and marine cleaning services, including waste disposal, to meet the growing needs of industry and government. Additional services include oil spill response, tank cleaning and removal capabilities, hydro-blasting and chemical cleaning. PCE has the capability to perform chemical testing, sampling, and provide a meaningful interpretation of results. We have a well-trained staff to perform all tasks in a safe and efficient manner. PCE maintains an excellent relationship with all city, county, state, and federal agencies.

The management personnel of our company have over 25 years experience in the successful operation of this type business in the Northwest. With this experience, we are able to manage both large and

small jobs. We have equipment and personnel in the State of Oregon to respond to most any needs. We are a 24 hour per day, seven days per week operation with key personnel always "on call".

PCE serves the community by assisting industry in meeting their responsibilities to protect the environment for future generations. PCE is an equal opportunity employer.

Officers of the Company

President/C.E.O.
Corporate Secretary/G.M.
Corporate Treasurer/C.F.O.
Vice President - Operations

John H.Somes
